After this class you will be able to:

**Reinforce what
you have learned
so far**

QUANTIFIERS - WHAT'S IN MY FRIDGE?

DIRECTIONS: Describe what you have in your fridge using quantifiers.

Example

I only have a little milk left, a few slices of ham, but plenty of eggs.

Are you running out of something at the moment?

QUANTIFIERS - THE SUPERMARKET

DIRECTIONS: Complete the following sentences using quantifiers.

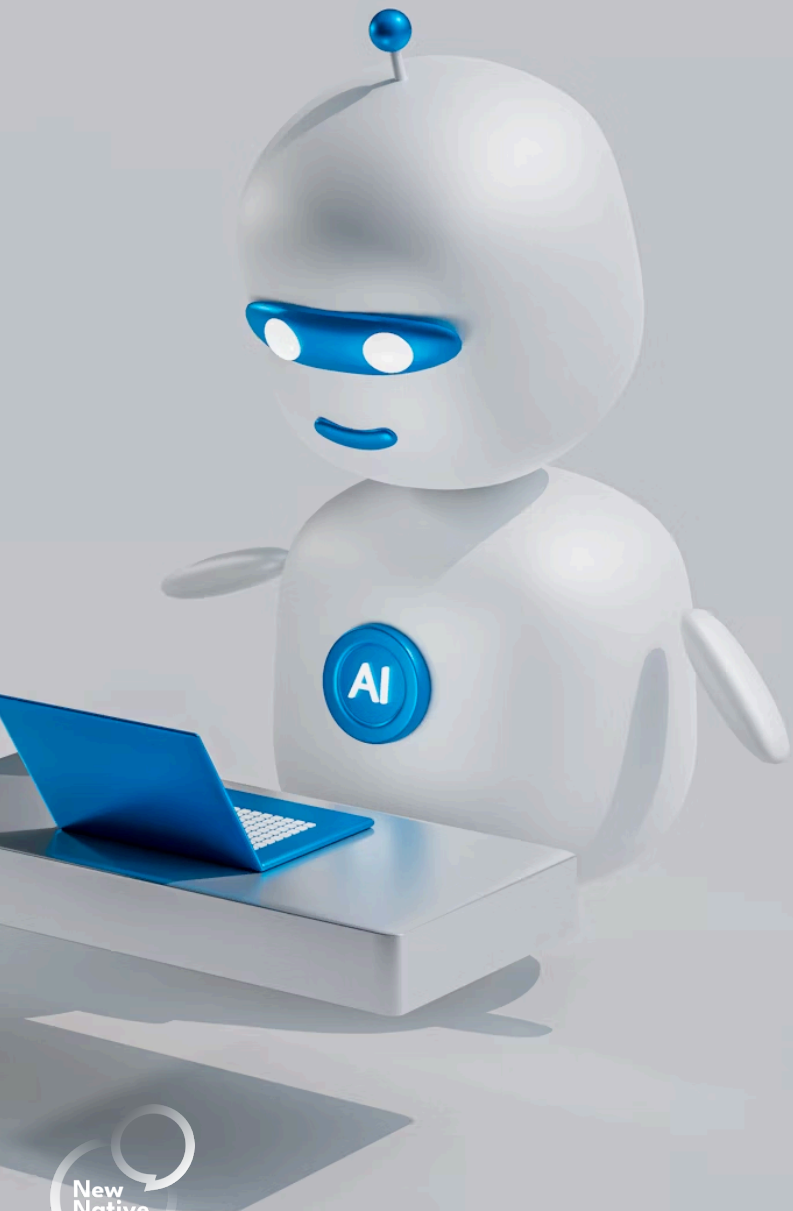

Everytime I go to the supermarket I buy_____.

I usually spend _____ money on my groceries.

I spend _____ time buying the things I need.

If I'm running out of milk and cheese I go the the _____ aisle

and If I need fruit and vegetables I go to the _____ section.

TO & FOR - DOES TECHNOLOGY MAKE YOUR LIFE EASIER?

DIRECTIONS: Answer the following questions. Provide a complete answer.

Do you think technology **takes over** some things in your daily life? Is that good for people in general?

Write a short paragraph explainig how technology makes your life easier.

Example: Technology helps me in many ways. I use my phone to set alarms and reminders. I use SIRI to send quick emails to my boss using my voice. I watch videos for learning...

OBJECT PRONOUNS- MEET MY TEAM

DIRECTIONS: Think about your real workplace or create an imaginary one. You're going to introduce your team. Use real colleagues or invent them. You should mention at least 3 people and one task related to each.

For each person, use an object pronoun to describe what you do with or for them.

Example:

At the office, **Anita** is the accountant, so I send **her** all the invoices. **Julio** is the messenger, and if we need to deliver a package, we call **him**. **Maricarmen and Edgar** are the partners, If someone needs time off, they ask **them** for it.

Complete the sentences with a suitable phrasal verb.

When the manager is on vacation, I have to ____ his responsibilities.

I usually ____ to stay in shape.

If you're unsure about a word, you can always ____ in the dictionary.

We're ____ coffee in the office, so I need to buy more

After working long hours without taking breaks, she started to ____.

WORK OUT / BURN OUT / TAKE OVER / LOOK UP / RUN OUT OF
